ABOUT CHAX

CHAX is a convenient payment method that allows the Clients of Worksite Employee Leasing to fax their check for payment. Upon receipt of the faxed check, Worksite Employee Leasing can then enter the information into a CHAX database and create a check that will be deposited into our account. The key to CHAX is that it prints a check containing MICR characters exactly as they appear on the original check. CHAX offers a patented feature that ensures compliance within the American Bankers Association's strict standards.

CHAX may NOT be used to duplicate Certified Checks or Money Orders.

CHAX INSTRUCTIONS

1. Write your check made payable to Worksite Employee Leasing.
2. Make a copy of your check and fax it to 866.782.1406 or email to accounting@worksiteemployee.com
3. YOU retain your original check for your records. Do not send the original to Worksite Employee Leasing.
4. Worksite Employee Leasing will enter your check information into the CHAX software.
5. Worksite Employee Leasing will then print and deposit your new check.
6. Worksite Employee Leasing will send you a confirmation receipt for your records with your next payroll verifying that all information was processed correctly.
